

	Flower	Bract	Leaf	Stem	Habit	Range
<i>Symphotrichum boreale</i>						
<i>Symphotrichum ciliolatum</i>						
<i>Symphotrichum cordifolium</i>						
<i>Symphotrichum drummondii</i>						
<i>Symphotrichum ericoides</i>						
<i>Symphotrichum firmum</i>						
<i>Symphotrichum georgianum</i>						
<i>Symphotrichum laeve</i>						
<i>Symphotrichum lanceolatum</i>						
<i>Symphotrichum lateriflorum</i>						
<i>Symphotrichum novae-angliae</i>						
<i>Symphotrichum novi-belgii</i>						

	Flower	Bract	Leaf	Stem	Habit	Range
Symphytotrichum oblongifolium						
Symphytotrichum ontarionis						
Symphytotrichum oolentangiense						
Symphytotrichum patens						
Symphytotrichum pilosum						
Symphytotrichum praealtum						
Symphytotrichum prenanthoides						
Symphytotrichum puniceum						
Symphytotrichum racemosum						
Symphytotrichum retroflexum						
Symphytotrichum robynianum						
Symphytotrichum sericeum						

	Flower	Bract	Leaf	Stem	Habit	Range
Symphotrichum subspicatum						
Symphotrichum subulatum						
Symphotrichum turbinellum						
Symphotrichum undulatum						
Symphotrichum urophyllum
